

Online class schedule for the 1st MBBS, Phase 1 students from 4th May 2020 to 17th May 2020 in the Dept. of Biochemistry, CNMC, Kolkata.

Date	Name	Topic
4/5/2020; Monday	Dr. Swati Bhattacharryya, Professor	Genetic code, mutation and protein synthesis, Part II.
5/5/2020; Tuesday	Dr. Rituparna Maji, Asst. Professor	Nutrition
6/6/2020; Wednesday	Dr. Anindya Dasgupta, Professor	Doubt clearing session on DNA replication and transcription
7/5/2020, Thursday	Dr. Swati Bhattacharryya, Professor	Genetic code, mutation and protein synthesis, Part III.
11/5/2020, Monday	Dr. Anindya Dasgupta, Professor	Recombinant DNA technology. Part I
12/5/2020, Tuesday	Dr. Anindya Dasgupta, Professor	Recombinant DNA technology. Part II
13/5/2020, Wednesday	Dr. Rituparna Maji, Asst. Professor	Nutrition, Part IV
14/5/2020, Thursday	Dr. Kaushik Kar, Associate Professor	Biochemistry of Cancer, Part I
15/5/2020, Friday	Dr. Suparna Roy, Associate Professor	Polymerase chain reaction and its application
16/6/2020, Saturday	Dr. Kaushik Kar, Associate Professor	Biochemistry of Cancer, Part II

The above classes will be taken using either direct interactive online modes or by uploading audio enabled ppts followed by online doubt clearance.

Formative evaluation is being continued by providing fixed set of questions (short answer type and MCQs) to the students using Google forms, which are being re-evaluated by the concerned faculty and appropriate feedbacks being transmitted to the students. The students are asked to convey their queries freely in their departmental Whats app group or in the google classroom to the respective teachers.

Date: 11/05/2020

Dr. Anindya Dasgupta,
Professor & Head,
Dept. of Biochemistry,
Calcutta National Medical College,
Kolkata.
