The Principal / Head of the Institution
Medical Colleges/Govt. Institutions/Affiliated Institutions

Sir/Madam,

SUBJECT: Holding of Online Classes in all Para Medical Courses.

This has reference to this office Notice No. 316-F/6-2020 dated 07.07.2020 wherein it was informed that the Classes for the students in different Para Medical Courses would commence on & from 1st August, 2020 at all Medical Colleges/Government Institutions/Affiliated Non-Govt. Institutions.

However, students of Para Medical Courses are now representing to the Faculty for their following difficulties for attending the classes from 1st August, 2020:-

- 1) They have not been provided with hostel facility
- 2) Train services are not available
- 3) Bus/other transport services are not available to attend the classes in time.
- 4) Most of them are residing at Mess. Mess authorities are not allowing them to stay anew in fear of spread of COVID-19, etc. etc.

The above matter was placed before the Members of the Board of Studies at its Meeting held on 12.07.2020 under the Chairmanship the Director of Medical Education, Government of West Bengal [The President, SMFWB].

The Members of the Board of Studeis of the Faculty, after elaborate discussions, decided that "Online Classes" be arranged by all Medical Colleges/Government Institutions/Affiliated Non-Govt. Institutions, where attendance of the students be also recorded, with immediate effect, and, would continue till 30th September, 2020.

The Members further decided that, recordings of such online classes be uploaded in Institutes' Google Drive, and, the LINK thereof be shared to the Faculty with anonymous access for displaying the same at our end.

You are, therefore, requested to take necessary action under intimation to the Faculty, so as to enable the Faculty to report to the Members of the Board of Studies subsequently.

Soliciting your co-operation for the best interest of the students' community.

Thanking you,

Yours faithfully,
